

Contractor & Vendor List

The following is a list of contractors and/or vendors who are interested in working on commercial projects in the district. Contractors and vendors not appearing on this list can also be used by the applicant. The program can only reimburse applicants for the lower amount of the two project bids, so please keep that in mind when selecting contractors and vendors. This list does not serve as an endorsement by the Church Avenue Business Improvement District and is only intended to be utilized as a resource.
