Approved Contractor & Vendor List

The following is a list of contractors and/or vendors that have been approved by the BID staff. This list serves as a resource for applicants who may need help in identify proper professionals. Contractors and vendors not appearing on this list can be used by the applicant. However, 1 of the 2 required bids or cost estimates must come from a vendor on this list. The program can only reimburse applicants for the lower amount of the two project bids, so please keep that in mind when selecting contractors and vendors.
